This chart is to provide student guidance about experiential learning courses currently offered and how these courses might be helpful to students interested in particular practice areas. Please note that this chart: (i) does not denote the only courses that are available to students; (ii) *does not* substitute for academic advising; and (iii) does not guarantee that the current courses will continue to be offered. This chart is informational only as a supplement to formal academic advising by the law school's Academic Advisor.
