[International Association of Jewish Lawyers and Jurists](#)

[The Jewish Law Association \(JLA\)](#) is an international organization dedicated to promoting Jewish law, particularly Jewish law written in English. Among other things, JLA biennially convenes an international conference, sponsors additional programs both inside and outside of the U.S., publishes *Jewish Law Association Studies*, and distributes a periodic e-newsletter containing articles as well as reports regarding cases, scholarship and news events of interest to those involved with Jewish law.
