COLLEGE OF LAW

*Mary and Michael Jaharis  
Health Law Institute*

Dear Health Law Institute Student,

In 2016-2017, the Mary and Michael Jaharis Health Law Institute (JHLI) will offer Fellowships. The prestigious Fellowship Program provides students with the opportunity to participate in the substantive work of the Institute, including our Health Law Journal, the newsletter, the Health Law Certificate and other programs.

Students will maintain fellowship status in return for a commitment to work with the Institute throughout the year to further existing and future Institute programs. Fellows will participate in a variety of activities including the Faculty Fellows Lecture Series, mentoring program, colloquia, symposia, and social events. Students in the program will also be eligible to participate in the mentoring program (optional, but recommended) and the Health Law Scholars Program (must apply and be accepted). Students are responsible for participating in our programming. Failure to participate will result in removal from the Fellows Program.

Priority will be given to applications for Fellowships submitted on or before December 23, 2016. The Application Form is attached to this memorandum (and should be detached for purposes of submission). Applications can be submitted to [HealthLawInstitute@depaul.edu](mailto:HealthLawInstitute@depaul.edu). Applications must be accompanied by an updated resume and a Letter of Intent (no longer than one typewritten page) explaining why you are interested in Health Law and what you hope to gain from your experience as a Fellow.

We welcome you to apply for a Fellowship for 2016-2017, and look forward to greeting our new Fellows!

Sincerely,

Kate Schostok  
Executive Director, Mary and Michael Jaharis Health Law Institute

25 East Jackson Boulevard Chicago, Illinois 60604
