

SPRING BREAK BORDER PROJECT APPLICATION

The Spring Break Border Project will take place **March 21 - March 25, 2022**. We will be partnering with the South Texas Pro Bono Asylum Representation Project (ProBAR) which empowers immigrants through high-quality legal education, representation, and connections to services. ProBAR serves immigrants in the Rio Grande Valley border region with a particular focus on the legal needs of adults and unaccompanied children in federal custody.

Currently, generally there is no access to the detention facilities ProBAR normally serves and ProBAR is operating remotely. This will be a remote service opportunity. In the past, students have assisted in providing support to asylum-seekers (e.g. through fact investigation, legal research and drafting) and supported litigation efforts. We will be providing additional detail regarding the focus of the project(s) closer to Spring Break.

All interested applicants must submit an application (below), a current resume (including work experience, externships, and volunteer work). Applications should be submitted to the DePaul Legal Clinic, attn.: Sioban Albiol via email to salbiol@depaul.edu. Applications are being accepted NOW and on a rolling basis until **February 7, 2022**. Once your application is received, applicants will be scheduled for a brief interview. Decisions will be made no later than Monday February 14, 2022.
