DePaul University
Asylum & Immigration Clinic

Carroll Sanford

*Director of Academic Skills for Graduate Programs at
University of Washington School of Law*

What do you remember most about your time in the Clinic?

It was a wonderful opportunity and I remember my clinic experience fondly. Professor Albiol was a great mentor and teacher.

What would you tell current or future DePaul law students about the clinic?

I strongly encourage participation in a clinic. It allows you to hone important skills you will use in practice.
