Admission-Based Merit Scholarships

The College of Law considers first-year law students for scholarships at the time of admission. Notification of scholarship eligibility is included in the acceptance letter. These scholarships are primarily based on academic merit.

Your Financial Aid Eligibility and Award Notification

The U.S. Department of Education and/or the State of Illinois require our office to collect additional information to determine financial aid eligibility of some applicants. If additional information is required, we will notify you by email. This will also appear in your To-Do List, located in your Tasks tile on Campus Connect. We will notify you by email when your financial aid offer is available to view and accept within the Financial Aid tile in Campus Connect. Your aid notification will provide detailed instructions on how to access and accept the aid offered to you.

Federal Loan Programs

Federal student loans are an important component of educational financing for many College of Law students. There are two types of federal student loans available:

Federal Direct Unsubsidized Loan

This loan provides a maximum of \$20,500 per academic year. Interest begins accruing upon disbursement, and repayment begins six months after graduation or when you are no longer enrolled half-time. The lifetime borrowing limit is \$138,500, including the outstanding balance on all federal student loans borrowed.

Federal Direct Graduate PLUS Loan

This loan is available to borrowers who do not have adverse credit history. If the Department of Education approves your request for this loan, you may borrow up to your cost of attendance minus all other aid. Interest begins accruing upon disbursement, and repayment begins six months after graduation or when you are no longer enrolled half-time.

Please visit [Federal Student Aid](#) for information regarding eligibility requirements, interest rates, loan origination fees for unsubsidized and PLUS loans, and to view your federal student loan borrowing history.
