Supplementary Bar Courses		The following DePaul courses cover information that could be tested on the July 2026, February 2027, July 2027, February 2028 and July 2028 bar exams. Students are encouraged to prioritize bar courses and consider the supplementary courses listed below. The National Conference of Bar Examiners (NCBE) has stated that for the bar exams administered from July 2026 to February 2028, performance tasks will most likely cover Family Law and Wills and Trusts (also referred to as Trusts and Estates). Taking these subjects could provide you with a better understanding of the subject matter. The MPT can cover any area of law. For the MPT, examinees will be provided with the necessary information to complete a given task. This means you do not need to rely on memorized legal information for the performance tasks.
