

# CROAK COMMUNITY LEGAL CLINIC

## WEBINAR SERIES KNOW YOUR RIGHTS DURING COVID-19

### EVICCTIONS: INFORMATION FOR TENANTS

Every year, thousands of Americans are evicted. COVID-19 has exponentially increased the number of people vulnerable to an eviction.

Law students from DePaul University will explain tenants' rights under various orders issued in response to COVID-19. They will also give advice on negotiating with landlords to avoid eviction. Our goal is to encourage tenants to advocate for themselves in the face of eviction, armed with resources and information.
